Children's Camp

July 24-28, 2017

Dear Parents,

The time has come to register for kids summer camp. We will be attending Centri-Kid again this year and would love for your child to join us. Centri-Kid is for any child who has finished 2nd Grade - 5th Grade. We will be heading to Shocco Springs in Talladega July 24 - July 28 for our week of Kids Camp. I look forward to the opportunity to have your children join us for this week of bible study, worship, activities, recreation and lots more. I know that those of you who went last year can be a testament to the amount of fun and excitement that is involved in Centri-Kid. Below you will find a registration form. I ask that you fill it out and attach a \$50 deposit to hold your spot for camp by April 30, 2017. Thanks in advance for the opportunity to take your child to camp with us. We will have a couple of fundraisers as the total cost will be \$350 per child. Also you must be registered by April 30, to have a spot for camp.

Seeking Him,

Bro. Chris Beck
